## Zero Tolerance Policy

Youth sports are a great opportunity for a child to build self-esteem and learn fundamentals skills. It's also an opportunity for adults to become positive role models and to teach the value and importance of good sportsmanship.

Our priority is development not winning. Our club's philosophy is long term player development, and again, winning is not the ultimate goal. South Tweed Community Touch Assoc Inc wants you to enjoy the great game of touch football, and we are providing this information in an effort to assist you and your child in gaining a greater understanding of player development and the game of touch football.

Over the past couple of years, we have seen an increased lack of respect towards referees during our Friday Night Competition, which has forced our Association to adopt a ZERO TOLERANCE POLICY. This policy applies to all coaches, players, parents and other supporters and referees effective immediately.

Drinking alcohol, smoking, or use of illegal substances is prohibited during South Tweed Touch events. Disrespect, questioning rulings, playing not in the spirit of the game, abusive and obscene language, violent play, violent conduct, fighting, and other behaviour (including but not limited to sarcasm, taunting, etc.) will not be tolerated during any club event. Ultimate responsibility for the actions of coaches, players, parents, and spectators resides with the Team Delegate.

It is the responsibility of the coaches to make sure the referee is respected by their players, parents, spectators and themselves and the Covid Safety Officer is responsible for spectator control. This policy will apply at all times prior to, during and after the game, at the touch football fields, and its immediate surrounding areas. It is the responsibility of the coaches to provide instructions to their teams on how they are expected to carry out this responsibility.

**South Tweed Community Touch Assoc Inc will be assessing each incident on an individual basis.**

## Players, Coaches, Parents and Spectators

Coaches are to maintain the highest standards of conduct for themselves, their players, and supporters in all matches. Failure to do so undermines the referee's authority and the integrity of the game, resulting in a hostile environment for players, the referee, coaches, parents, and spectators. As role models for all of the participants and spectators, coaches participating in South Tweed Touch events are expected to be supportive of, and to applaud the effort, good play, and sportsmanship on the part of ALL players from either team in a contest. By example, coaches are expected to show that although they are competing in a game, participants at all times have respect for the opponent, referees and spectators.

South Tweed Touch will not tolerate negative behaviour exhibited either by demonstrative actions and gestures or by ill-intentioned remarks, including those addressed toward the referees, players or coaches of an opposing team. Coaches exhibiting hostile, negative, sarcastic, or otherwise ill-intentioned behaviour toward referees, opposing players or coaches will be subject to sanction by the referee and subsequent sanctions may be imposed by the club.

Coaches shall not interact directly or indirectly with the coaches or players of the opposing team during the game in any manner that may be construed as negative, hostile or sarcastic either by way of demonstrative actions and gestures or by ill-intentioned remarks.

Coaches shall not offer dissent to any call made by the officials at any time.

Coaches shall not address the referee during the game except to:

1. Respond to a referee who has initiated a conversation
  2. Point out emergency or safety issues
  3. Make substitutions
- Coaches are only allowed to ask the Referee Co-ordinator after a game located at the Clubhouse, in a polite and constructive way, to explain a Ruling but not judgment calls made in a game.

No player, coach, parent, or spectator shall address the referee or assistant referees at any time. Only the Team Captain is permitted to have any verbal communication with the Match Referee or Referees.

## Play with integrity:

One of the most essential lessons a child can learn from sports is to follow the rules. Make sure your team understands the rules and doesn't break them, even if they can get away with it. Play in the spirit of the game.

## Respect the officials:

It's important to teach not only our young athletes but also our parents and coaches to respect the referees and officials. Our kids have a watchful eye and take notice when parents and coaches are disrespectful.

**Be a good sport.** This means doing what we can to lift our teammates up and help them reach their potential. Being a good teammate means also being a good person on and off the field regardless of the outcome.

**Maintain self-control.** Keep your cool, have a positive attitude, and don't overreact during practice or games. Be encouraging of other players.

**Let the coach's coach:** Avoid chiming in with your coaching advice for the team, or other parents. Let those in charge run the plays.

Below are some simple rules you should observe. **PLEASE CONSIDER THEM CAREFULLY!**

1. Do not shout instructions to your child. This only causes confusion since the coach has already instructed your child on how to play. If you do shout instructions, your child will probably try to please you and the coach at the same time. In trying to do two things at one time, the child becomes unable to handle his loyalties and ends up pleasing neither parent nor coach.
2. Cheer for your child when he/she plays the ball well. However, remember that your child is a member of a team. Let the other players know you support them too.
3. Suffer in silence (or moan softly) whenever something occurs that goes against your child's team. A display of anger may inflame a delicate situation resulting in embarrassment for you or your child. Some parents embarrass their own children by making a spectacle of themselves.
4. Do not run up and down the sidelines. Find a comfortable place to sit down or stand, relax and enjoy the match.
5. Do not shout insults or verbally abuse the referee. It's hard for a child to learn respect for the referee or other officials when their parents set a poor example. The referee **can** and **will** stop the match if the crowd becomes discourteous.
6. Set the tone for good sportsmanship by adopting a positive attitude if your team loses. Compliment your child upon his/her good plays and ignore the mistakes. Your child will be happy you noticed his good qualities.

**REMEMBER**—your child will forget about today's game. Next week he/she will probably have forgotten the score. However, both of you will remember the good time the child had playing.

Spectators may point out an emergency or safety issue, such as a player down on the field.
